## **Vicksburg Hampton Inn & Suites “Top Performing” Status**

VICKSBURG, Miss. — The Vicksburg Hampton Inn & Suites by Hilton® continues to garner prestigious awards shared by few in the industry. Since its opening in 2006, the property has now achieved 16 *consecutive* Outstanding Quality Assurance (QA) Evaluations, making it the highest achieving Hampton in the Hilton Family of Brands.

When a property earns five consecutive Outstanding QA Evaluations, they are granted an “Excellence in Quality” award. Each successive outstanding evaluation then earns an additional “Excellence” award. With its 16th Outstanding QA Evaluation, the Vicksburg Hampton Inn & Suites now has 12 “Excellence in Quality” awards.

According to Hilton records, less than 25 percent of brand properties receive an “outstanding” QA score on any evaluation. Vicksburg’s 16 consecutive Outstanding QA Evaluations clearly position the property as a premier hotel with the highest standards.

Michael Hudson, General Manager of the Vicksburg property, noted, “Our team has received an *outstanding* QA score on every evaluation since opening.” He adds that the Vicksburg staff has an “extraordinary commitment to maintaining exceptional standards.”

The Vicksburg property is also a recipient of the coveted Hampton “Circle of Excellence Award” for its 2014 placement in the brand’s *top 10 percent* (out of 750 Hampton Inn & Suites worldwide). This marks the *6th time* the hotel has won the “Circle of Excellence” award.

The Vicksburg Hampton Inn & Suites also won their first Trip Advisor’s Hall of Fame award for earning five Certificate of Excellence awards. The certificate awards are based on maintaining a four-star (or higher) rating over a one-year period.

The 123-room Vicksburg Hampton Inn and Suites is located at 3330 Clay Street, just off I-20. The hotel is within easy walking distance of the Vicksburg National Military Park, and is conveniently located near downtown shops, restaurants and attractions.
